**COMBINED QUANTITY MINIMUMS - See note at back of price list regarding combining multiple items to achieve minimums**

## COMBINED QUANTITY MINIMUMS / BALL MARKER SETUPS

**EMBROIDERED ACCESSORIES**- All items within a Collection can be combined to achieve higher quantity minimums. For example if you ordered 75 Typhoon Drivers and 75 Typhoon Hybrids you could use the 150 piece price. Products from other collections cannot be combined meaning that Typhoon could not be combined with Cyclone etc. There is an absolute minimum of 20 pieces per item/color.

**ADVANCED METALS** - - Minimums shown are combined by ball marker style. For example, if you order 75 Talon Divot Tools, which use a 25mm (1") Round Ball Marker and add 75 Scorpion Divot Tools, 75 Icon Hat Clips and 25 Towel Rings then ALL products will be priced at the 250 piece price. Absolute minimum is 100 pieces per Ball Marker style except with QKX Ball Markers in which case minimum is 50 pieces.

**BALL MARKER SETUPS** - If two or more items use the same style and size ball marker. Unless otherwise noted ball markers are included in pricing with all products that use them.

**PLATING** - All metals include a choice of the following metal plating finishes - Antique Nickel, Antique Brass, Antique Copper, Black Nickel (Gunmetal), Matte Silver, Matte Gold, Matte Nickel, Bright Silver, and Bright Gold.

## ORDERING INFO / DISCLAIMERS

**HANDLING CHARGES** - Prices are exclusive of all handling charges. Handling charges will be added to all Q1 Golf invoices and are mandatory. Please ask customer service what handling charge for each item is or consult [www.Q1GOLF.com](http://www.Q1GOLF.com). Handling charges are applied in lieu of freight as we reserve the right to manufacture and ship from the factory of our choice which includes our overseas factories and feel that customer should not be penalized for this. Handling charges are billed at the approximate ground freight charge of UPS from either Buffalo or Los Angeles FOB Points. Shipments can be made on customer accounts although handling surcharge will still be applied. In this case FOB Point is Colorado. For additional consignee addresses beyond the first please add \$6.25 (V) per destination.

**OVER / UNDER RUNS** - We reserve the right to over / under ship by 5% on embroidered and metal products and 10% on custom woven towels.

**RETURN POLICY** - No returns will be accepted without prior approval from the factory. All claims must be made within 15 days of invoice. Custom embroidered goods may not be returned for any reason other than manufacturer's defect.

**FOB POINT** - Not applicable - See Handling Charges above

**PRODUCTION TIME** - Normal production time will vary due to seasonal demand, but generally averages from 3 to 6 weeks from approval of artwork. Rush orders will be accepted whenever possible and additional charges may apply. Acceptance of these charges must be made in writing or on the PO. You will be notified at time of ordering if any surcharges are needed to meet your delivery date. Please specify required in-hand dates on all orders.

**CANCELLATIONS** - Orders cannot be cancelled once production has begun. Orders cancelled before production begins may be subject to administration or cancellation charges.

**EMBROIDERY AND SEW** - Embroidery on the more unique materials that we use such as Micro Plush, Suede, and Leather, may not appear as crisp and defined as on easier to embroider materials such as cloth, nylon, and canvas. It should also be noted that although our embroidery machines are state of the art, different embroidery machines embroider the same designs in markedly different ways. Therefore, on reorders and even on same orders some small variances in embroidery quality may be detected. Also due to the nature of custom sewing many items will vary in size by a small amount due to different seam allowances. These differences are normal and unavoidable, and should not detract from the overall appearance and quality of the products.

**MANUFACTURE OF GOODS** - Q1 Golf reserves the right to manufacture goods at either its domestic or import factory without notice. Should a domestically produced product be required please advise us in writing at time of order.

**WARRANTY** - All Q1 products are unconditionally warranted against manufacturer's defects for a period of 90 days.

**LOGOS AND TRADEMARKS** - The use of corporate logo's or trademarks within the catalog does not necessarily constitute an endorsement by the trademark holders. The rights to use and sell trademarked logos are the responsibility of the purchaser. Q1 Golf does not verify the authenticity of purchasers rights to logo use and accepts no responsibility for improper or incorrect use.

**PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.**
