DuraFlex BagTags

DuraFlex is a market leading low cost bag tag combining FlexSkin and molded plastic offering a look that fits all perceived value budgets. The FlexSkin portion is exclusively formulated to provide precise detail, unlimited color options with virtually no wear or fading. The molded plastic allows for Golf Club marketing and makes it easy to personalize. The quick clip on our new logoed strap ensures this bag tag is the perfect giveaway, tournament or member bag tag. Who says great looks cost extra!!!
